ECMWF Data Services Order Conditions for Research

One copy of this form should be returned with each order to signify acceptance of the conditions.

Data and decoding software are supplied by ECMWF subject to the following conditions:

1. The conditions in the attached document "Conditions attached to the free and unrestricted access to ECMWF Meteorological Data and Products by Research and Education" apply to the provision of data by ECMWF for research and educational use.

2. Although every care has been taken in preparing and testing the data and software, ECMWF cannot guarantee that the data are correct in all circumstances, or that the software will work correctly in all circumstances; neither does ECMWF accept any liability whatsoever for any error or omission in the data or software, or for any loss or damage arising from its use.

3. The proprietary rights and copyright of the software remain with ECMWF. The software supplied is intended solely for use with ECMWF data and must not be used for any other purpose. It must not be transferred to a third party.**

4. The recipient of the data and software will accept responsibility for informing all data users of these conditions.

On behalf of __________________________________________ (name of organisation) I agree to the above conditions and to the attached rules.
